I am out sick today and tomorrow for sure. I've been struggling with some but since last week.

By all means, send me the draft letter for my review and I'm happy to get on the phone with you and dusty.

Hi Christina,

Dusty and I need to talk to Enrique about an important letter related to Anaconda. I was looking at his calendar with the hopes to find a time to propose a meeting but it is block as sick leave the rest of the week. Is this accurate? This letter is very important and we (including Enrique) are hoping to send it out this week.

Thanks,

Angeles
